## "LONG BRICK" TO HAVE NEW FRONT

Cavanaugh Block, occupied by O'Grady Bros., will undergo extensive improvements.

The Cavanaugh building, long known as "The Long Brick" and now occupied by the O'Grady Bros. is soon to undergo extensive repairs. The front of the store is to be torn out and an entire new front put in. The new part will be practically all plate glass with prism glass lighting across the entire front over the doors. There are to be glass display cases in front, with an arcade between them and the store proper. A door from the arcade will open out to the east on Kalamazoo street. Plans and specifications are now ready and the

work will soon commence. When completed "The Long Brick" will be one of the most complete and attractive of the furnishings stores in the state. Many improvements have already been made in the interior of the store and there are more to follow. The O'Grady brothers are to be congratulated on their success as successors to the late Geo. M. Harrison. The "Long Brick" has for many years been one of the leading clothing and furnishing stores in Southwestern Michigan.

C. C. Young has the contract for the improvements on the O'Grady Bros. store and work will soon commence. The second story will be fitted up as office rooms and the entire building will be steam heated.

### NOW ALDERMAN COOLEY

The Village council at its meeting last Monday evening elected Eugene Cooley to fill the vacancy caused by the death of the late Daniel Morrison.

### JOHN BUTNISKI KILLED BY LIGHTNING

During Storm Yesterday Afternoon—Picking pickles When Bolt Struck Him.

### BARN BURNS AT MATTAWAN

Clarence Royal Barn Burned by Lightning During Electrical Storm

Thursday afternoon between four and five o'clock a severe electrical storm occurred just east of Paw Paw on the Territorial road which cost the life of John Butniski, aged 28 years, who lives on the farm formerly owned by the late Joseph Salisbury.

Butniski was picking pickles in the field with his brother-in-law and wife and seven children, when the storm came up. His wife and children took refuge from the storm under the foliage of the grape arbor a few feet away while John and his brother-in-law were caring for the pickles, the bolt of lightning striking John, killing him instantly, his brother-in-law was uninjured, his family were shocked some from the electricity running on the grape wires.

The body will probably be shipped to Harbor Point, Indiana for burial.

During the same electrical storm the barn of Clarence Royal, south of Mattawan was struck by lightning and burned to the ground. The barn contained hay grain, stock and implements. The stock and implements were saved.

### FORMER PAW PAW MAN IS INJURED

George Raymond sustained severe cuts and bruises in a cyclone at Jones, Michigan.

George Raymond, who recently moved from Paw Paw to Jones, Michigan, was nearly killed in a terrific wind and rain storm which passed over that village last Friday afternoon.

Mr. Raymond was hauling coal. He noticed the storm approaching and started for the barn, but the storm struck him just as he was entering the yard. The wind lifted the box from the wagon and carried it for a considerable distance. When found Mr. Raymond was in a dazed condition and suffering from many severe cuts and bruises about the head, neck and shoulders, one ear being nearly severed from the head. He now lies in bed in a helpless condition, but from the latest reports he is resting as easy as could be expected and the chances are considered good for his recovery.

### CIGAR STORE SOLD TO LOCAL PARTIES

The Bennett McKinstry cigar store has changed hands. Ex-sheriff C. C. Chappell and Court Stenographer H. A. Sherman are the new owners. The transfer was made last Saturday. The business will be under the management of Mr. Chappell, who has been employed in the store at intervals for a number of years. Frank Isbell, the genial clerk, will remain for a time at least. Mr. McKinstry will engage in the Auto Shock Absorber business as sales manager.

### DR. EMERY GOES TO AUGUSTA

Dr. William Forbes Emery has been assigned the pastorate at Augusta, Mich. We regret very much to lose the Dr. from our midst. He has made many friends here who will miss his smile of greeting and the hearty hand shake. But what is our loss will be Augusta's gain, and we wish for him and his church in the new field of labor the best of success. The Methodist pulpit here will be filled by A. O. Carmen.

### LOSES SUMMER SAVINGS

Carl Burlington is both the most unfortunate and fortunate boy in town. Last Monday he drew his summer's savings, \$95.00 from the bank and within ten minutes time it had disappeared from his pocket. Fortunately however, the purse was found by an honest person and soon restored to its owner. After the purse was found Carl could be heard whistling a merry tune the balance of the day.

## H. C. Waters & Co.

The Round Oak Stove is the Best

The Genuine Round Oak Combination Heater Ever Built.

This stove was originated by P. D. Beckwith about 40 years ago. After a few years time from the meager beginning, it got to be the most popular heating stove in the world. The theory of its construction is right.

By changing the grates either coal or wood can be burned successfully.

Mr. Beckwith died years ago but his estate has continued making his stoves ever since. Those that Beckwith made 30 and 40 years ago are still doing business. Those that we sell this season will no doubt be warming some families' living room 30 years from now.

Over 1800 Round Oaks have been shipped in Paw Paw alone.
